Features

Ergonomic Design

The Verona Pro V2 is developed with Arozzi's signature ergonomic design making it easier on your back and posture for longer periods of use. It is equipped with 2 soft adjustable pillows: a lumbar pillow to support your back & a headrest pillow to support your neck and head.

Easy Clean PU Leather

The soft PU Leather is built to last and is easy to clean. The metal frame is padded with a snug foam that has a density of 45 kg/m³ for the seat and 25 kg/m³ for the backrest.

Functionality

Adjustable Height

You can adjust the height of the seat using the handle. Find the perfect position for you!

Adjustable Backrest

Working hard and need a rest? Recline the backrest at 4° lockable increments. Find the right angle for you that compliments your body and posture.

Rocking Function

The chair can be locked in a fixed upright position or can be unlocked to freely tilt back and forth in a rocking motion up to 12°. Use the adjustment wheel to set the desired resistance.

Lock-Tilt Function

Like your chair leaned back a few degrees? The locking tilt function allows you to not only rock back the seat & backrest but also lock it in a position that fits you.

1D Armrests

The armrests can be adjusted up and down with an easy push of the button. The top of the pads is padded giving your forearms and elbows support and comfort.

Adjustable Lumbar Pillow

The chair comes equipped with one soft adjustable lumbar pillow giving you extra support for your back. You can also adjust the included neck pillow to your desired position.
