The Arozzi Aria is a versatile headset that will fit anyone's gaming needs.

- Detachable microphone
- Microphone mute button
- Volume control

### **Long text:**

Hi-Fi capable with 50mm drivers for amazing quality and immersive in-game audio. The solid aluminum frame is both stylish, durable and made to last. Both earphones and headband come in padded PU leather that cushion your ears and head comfortably for long gaming sessions. The Arozzi Aria is a versatile headset that will fit anyone's gaming needs.

- Detachable microphone
- Microphone mute button
- Volume control
- Aluminum frame
- Padded PU leather
- 50mm speaker
- 2.2m braided cord

## Features

### Aluminum Frame

Accidents happen, but when they do, having an Aluminum frame helps to withstand blows that plastic would not. Not only is it durable, but also nice to look at.

### Padded Pu Leather

The padded PU leather in the earphones and headband makes your long gaming hours comfortable.

### Mute Button & Volume Control

The Arozzi Aria carries an easy to reach mute button on the braided cord. It also has a headphone volume control.

### Detachable Microphone

For those moments where you don't need the microphone, you can always remove it. It plugs back in with a 3.5mm outlet.

### Audio Splitter Included

The Splitter makes the Headset compatible with various other devices, such as laptops, mobile phones and consoles.
