Features

Aluminum Base

The Primo Full Leather has a wheel base made out of aluminum, making it extremely durable but also giving it a clean and metallic look.

Improved Foam

The Arozzi Primo Full Leather has a new and improved molded foam mix. It will give you extreme comfort and great support. Built to achieve a firmness that is beneficial for your posture, and a durability that is unmatched.

Woven Fabric Material

The premium woven fabric material is of the highest quality upholstery fabric with a soft, smooth finish! The Primo's frame is padded with a pliant foam that has density of 70 kg/m³ for the seat and 65 kg/m³ for the backrest so you can sink into the seat in comfort and provide hours of proper support.

Functionality

Adjustable Height

You can adjust the height of the seat using the handle. Find the perfect position for you!

Adjustable Backrest

Working hard and need a rest? Recline the backrest at 4° lockable increments. Find the right angle for you that compliments your body and posture.

Rocking Function

The chair can be locked in a fixed upright position or can be unlocked to freely tilt back and forth in a rocking motion up to 12°. Use the adjustment wheel to set the desired resistance.

Lock-Tilt Function

Like your chair leaned back a few degrees? The locking tilt function allows you to not only rock back the seat & backrest but also lock it in a position that fits you.

4D Armrests

The armrests are adjustable in 4 dimensions, moving with an easy push of a few buttons. With the increased adjustability, your forearms and elbows get the support and comfort while you are working or playing hard during long periods.

Built in Lumbar Support

The backrest have an adjustable internal lumbar support which is controlled by a knob on the side of the backrest.
