Go Big

The Vernazza is one of Arozzi's bigger pleather chairs with a weight capacity of 145kg (320 lbs.) and a spacious hugging backrest. It also has an extra wide and tall seat ideal for those who are big & tall or just enjoy the extra space.

PU Leather Material

The soft pleather is built to last and is easy to clean. The frame is padded with a snug foam that has a density of 70 kg/m³ for the seat and 65 kg/m³ for the backrest.

Functionality

Adjustable Height

You can adjust the height of the seat using the handle. Find the perfect position for you!

Adjustable Backrest

Working hard and need a rest? Recline the backrest at 4° lockable increments. Find the right angle for you that compliments your body and posture.

Rocking Function

The chair can be locked in a fixed upright position or can be unlocked to freely tilt back and forth in a rocking motion up to 12°. Use the adjustment wheel to set the desired resistance.

Lock-Tilt Function

Like your chair leaned back a few degrees? The locking tilt function allows you to not only rock back the seat & backrest but also lock it in a position that fits you.

3D Armrests

The padded armrests are not only able move up & down. They can slide forwards & backwards, and rotate in & out. For those who want to find the best position for the armrests this 3-dimensional style is one of our most alterable.
