## **Long text:**

The Arena Leggero is the smaller version of the regular Arena. Our Swedish designers created it to optimize your gaming and computing experience with utilizable features, sturdy & long-lasting materials, and optimized aesthetics.

- Full-surface mouse pad
- Mouse pad is water-resistant and machine washable
- 3 Cut outs for cable management and monitor attachment
- Cable management basket tightly fit under the desk
- Sturdy steel legs for long-lasting stability

## **Features**

### **Huge Full-Surface Mousepad**

The entire surface of the Leggero desk is covered with an interchangeable microfiber mousepad on top of a tough MDF board. The mousepad is specially designed to custom fit the curved desk with an anti-slip rubber bottom to ensure that it stays in place.

### **Water-resistant & Easy to Clean**

The full-surface mousepad is also water-resistant, making cleanup easy and simple. If you wish to have a more thorough cleaning, just throw it in your machine washer.

## Cable Management

The Leggero has 3 cutouts on top of the surface that lead to a mesh basket that tightly held against the underside of the desk for cable management. This system is easier to manage, out of the way, and looks great.

## Monitor Attachment

The 3 cutouts in the mousepad & MDF board aren't only for cable management, but also to attach monitors and is spacious enough to hold 2 large-sized monitors.
