## Features

### Ergonomic Design

## **Go Big**

The Vernazza XL is the biggest chair Arozzi has to offer with a weight capacity of 170kg (375lbs.) and the most spacious backrest and seat. This is the perfect choice for our larger and taller individuals or the ones that just enjoy the extra space.

## **Durable Furniture Fabric**

The breathable Soft Fabric™ material is designed for the body to stay cool for long term usage so you can stay focused. The durable fabric is also built to last with ISO tested qualities such as tear growth resistance, seam slippage resistance, and tensile strength. Another surprisingly pleasant feature of the fabric is how quiet it is, not producing the rubbing noise like in full PU leather or full leather chairs.

## **Aluminum Base**

The Vernazza Soft Fabric™ has a wheel base made out of aluminum, making it extremely durable but also giving it a clean and metallic look.

## **Functionality**

### **Adjustable Height**

You can adjust the height of the seat using the handle. Find the perfect position for you!

### **Adjustable Backrest**

Working hard and need a rest? Recline the backrest at 4° lockable increments. Find the right angle for you that compliments your body and posture.

### **Rocking Function**

The chair can be locked in a fixed upright position or can be unlocked to freely tilt back and forth in a rocking motion up to 12°. Use the adjustment wheel to set the desired resistance.

### **Lock-Tilt Function**

Like your chair leaned back a few degrees? The locking tilt function allows you to not only rock back the seat & backrest but also lock it in a position that fits you.

### **3D Armrests**

The padded armrests are not only able move up & down. They can slide forwards & backwards, and rotate in & out. For those who want to find the best position for the armrests this 3-dimensional style is one of our most alterable.

### **Adjustable Lumbar Pillow**

The chair comes equipped with one soft adjustable lumbar pillow giving you extra support for your back. You can also adjust the included neck pillow to your desired position.
