

ZONA PAD

The Zona Pad comes in both a round and a square version. It's designed with customization in mind to keep your office or setup looking fresh and modern. All the designs are based on our most popular mousepads, so you can easily create a stunning and coherent space.

The microfiber material makes the Zona Pad great for dampening noise caused by chair casters and protects sensitive floors from damage.

The pad can both be vacuum cleaned or tossed in the washing machine.
