Description

The Alzare Neo Duo isn't just about holding two monitors; it's about elevating your entire setup. With two independently adjustable gas spring arms, you get total control over screen positioning, landscape, portrait, or both, and a seamless look that ties everything together. The durable full-metal construction and color-matching options let you create a clean, unified aesthetic that works perfectly with Arozzi desks, PC holders, and accessories.

Whether you're setting up a productivity powerhouse or a bold dual-screen battlestation, the Neo Duo combines precision with visual harmony.

- Dual gas spring arms with smooth, independent motion
- Available in multiple colors to match Arozzi desks and accessories
- VESA 75x75 & 100x100 compatibility with quick-release plates

- Tilt range: +45° / -45°
- Swivel range: +90° / -90°
- 360° rotation with optional 180° lock screws
- Adjustable gas spring tension for each arm
- Removable VESA plates for easy installation
- Integrated, tool-free cable management
- Mounting options: Grommet or C-clamp (both included)

Features

Double Screens, Seamless Style

From multitasking across apps to gaming and streaming at the same time, the Alzare Neo Duo helps you stay organized and focused. Each arm moves independently, giving you endless flexibility while maintaining a sleek, coordinated look. Pair it with an Arena desk, color-matched PC holder, or one of Arozzi's monitors to complete the setup.

Fast, Above-Desk Installation

No need to crawl under your desk, the Neo Duo installs from above, quickly and securely. Whether you're in a studio, home office, or gaming den, setup is smooth and frustration-free.

Clean Desk, Clear Mind

Clip-on cable covers keep your display and power cords neatly routed, making your workspace sharp and distraction-free. Combined with the cable cut-outs on Arozzi desks, the Neo Duo helps maintain an uncluttered, polished surface.

Made for Arozzi — Ready for Anything

Perfectly matched to Arozzi's Arena desk series, the Alzare Neo Duo also works flawlessly with virtually any desk. Choose grommet mounting for a clean, integrated look through pre-drilled holes, or use the C-clamp to attach to any edge, no drilling needed. Wherever it goes, the Neo Duo delivers strong support, smooth adjustment, and elevated style.
