Description

Mount your PC securely and free up floor and desktop space with the Arozzi PC Holder. Perfect for motorized desks like the **Arena Moto**, it ensures that cables move with the desk as it rises or lowers. With adjustable sizing, strong steel build, and protective foam padding, it's a practical and protective solution that keeps your setup clean and organized.

- Space-saving under-desk mount
- Ideal for motorized desks
- Adjustable height & width
- Heavy-duty steel construction
- Foam padding protects your PC
- 360° mounting flexibility

Features

Perfect for Motorized Desks

The Arozzi PC Holder is the ideal companion for height-adjustable desks such as the Arena Moto. As your desk rises or lowers, your PC moves with it, keeping cables secure and minimizing strain on connections.

Lift & Clear Your Setup

Mounting your PC under the desk clears up valuable floor and desktop space, making your setup cleaner and easier to manage. It also simplifies cleaning and improves accessibility under the desk.

Adjustable Fit for Most PCs

With stepless height and width adjustability, the holder fits a wide range of PC cases. Whether you have a compact build or a larger gaming tower, the mount easily adapts to your setup without the need for tools or hassle.

Stable & Protective Construction

Made with heavy-duty steel, a stable build, and foam padding, the holder provides strong support while protecting your PC from scratches and damage during movement or daily use.

360° Mounting Around Desk Leg

The holder attaches directly to the desk leg and allows 360° rotation, giving you the freedom to position your PC in the most convenient and balanced location for your workspace.
