# TORRETTA SERIES

**Fabric**  
High quality, breathable furniture fabrics.

**PU Leather**  
High end, artificial leather material

**Soft Fabric™**  
Durable, cooling fabric designed for comfort during extended use. ISO-tested for tear resistance, seam strength, and impressive durability.

**Supersoft™**  
Upholstery with fine synthetic fibers for a velvety feel. Its liquid-resistant feature helps prevent immediate staining, allowing time for cleanup.

**Soft PU™**  
High-end synthetic leather. It is easy to clean, highly durable against wear, and suitable for residential and commercial settings.
