Description

Zona XL is designed to give you plenty of room for both your keyboard and mouse. Its smooth surface ensures precise and consistent tracking, while the 4 mm thick base adds comfort and stability during long sessions. With a non-slip rubber underside that keeps it firmly in place, Zona XL is the perfect foundation for a clean and high-performance desk setup.

- Soft and flexible cloth for a soft cushioned support & easy transport
- Anti-slip rubberized bottom
- Protects your desk and mouse from scratches

Features

Micro-Weave Cloth Surface

The high-quality polyester surface delivers smooth, consistent tracking with enhanced control, ideal for high DPI gaming as well as precision tasks like editing and design work.

Reinforced Stitched Edges

Reinforced stitched edges prevent fraying and extend durability, ensuring long-lasting performance even during intense use.

Anti-Slip Rubber Base

Stay locked in during intense sessions with a high-grip rubber base that keeps the mouse pad securely in place. The anti-slip foundation prevents shifting and bunching, maintaining a consistently flat and even surface for uninterrupted precision.
