

Zona Mouse Pads

Compared to hard surface mouse pads, the cloth style offers much more control to your movements. This is ideal for those who demand a high amount of control while gaming with a high DPI mouse setting – or, for those who are editing with precision. Double-Decker Polyester Fabric Mouse Pads with anti-slip bottom - in two sizes for gaming or everyday use. Get the basic size for any average user – Or, get the Extra Large for those who crave a larger surface.
