

# OCCHIO RL TRUE PRIVACY™ WEBCAM

The Arozzi Occhio is the first webcam of its kind, offering true privacy. Other webcams on the market only provide a mute function that is software based making them vulnerable to being hacked. The Occhio introduces a manual microphone circuit breaker, making it possible to obtain true privacy at the flip of a switch. The Occhio is available with or without the built in ring light to suit your personal preference.

True Privacy™

Dual omni-directional noise cancelling microphones

Various mounting options

Autofocus glass lens

Adjustable Brightness

Full HD 1080p, 30FPS

Requires 2x USB 2.0 ports or 1x USB 3.0 port

6" LED ring light with 3 color temperatures
