The new and improved Enzo Woven Fabric is the reimagining one of Arozzi's more fundamental chairs. The Enzo incorporates all the essentials of an office chair so you can work or play for long hours with no issue! Based on the original Enzo chair, the Enzo Woven fabric is covered with smooth, high quality upholstery furniture fabric to provide an additional level of comfort and breathability.

- Extra Padded Armrests with Woven Fabric Material
- Five twin wheel nylon casters
- Light construction for easy movement
- Woven Fabric Material
- Rocking function that tilts the seat and backrest up to 12°
- Adjustable height gas spring that supports up to 95kg / 209 lbs

Features

Thick Padded Armrests

The armrests have extra padding for soft support to your forearms and elbows when you are relaxing or working hard. The padding is also covered in the woven fabric for additional comfort and breathability.

Curved Backrest

The backrest is slightly curved which gives you extra built-in support for your lower back.

Woven Fabric Material

The woven fabric material is a premium quality, upholstery fabric with a soft, smooth finish! The frame is padded with a pliant foam that has density of 30 kg/m³ for the seat and 25 kg/m³ for the backrest so you can sink into the seat in comfort while still giving proper ergonomic support for long working or gaming sessions.

Functionality

Adjustable Height

You can adjust the height of the seat using the handle. Find the perfect position for you!

Rocking Function

The chair can be locked in a fixed upright position or can be unlocked to freely tilt back and forth in a rocking motion up to 12°. Use the adjustment wheel to set the desired resistance.
