Short text:

A sophisticated chair that is made out of the same leather used in lavish sports cars. The look is matched by the comfortability, and the added perforated details give it the increased breathability you might look for in fabric chairs.

- Full Leather Material
- Soft neck pillow made out of velour
- Built in adjustable lumbar support system

Long text:

A sophisticated chair that is made out of the same leather used in lavish sports cars. The look is matched by the comfortability, and the added perforated details give it the increased breathability you might look for in fabric chairs.

- Full Leather Material
- Soft neck pillow made out of velour
- Built in adjustable lumbar support system
- Adjustable height gas spring that supports up to 145kg/ 320 lbs
- Large and spacious seat and backrest
- Sturdy metal frame and aluminium wheel base
- Pro locking tilt mechanism & 4D armrests
- Large premium casters

Features

Velour Neck Pillow

The Primo Premium Full Leather has a neck pillow made out of velour with good elasticity. This makes it strong and durable at the same time as being soft and comfortable.

Aluminum Base

The Primo Full Leather has a wheel base made out of aluminum, making it extremely durable but also giving it a clean and metallic look.

100% Full Italian Leather

Used in luxurious sports cars, this material is as classy as it is good looking. It comes in 4 clean colors, able to fit into any environment.

Improved Foam

The Arozzi Primo Full Leather has a new and improved molded foam mix. It will give you extreme comfort and great support. Built to achieve a firmness that is beneficial for your posture, and a durability that is unmatched.

Functionality

Adjustable Height

You can adjust the height of the seat using the handle. Find the perfect position for you!

Adjustable Backrest

Working hard and need a rest? Recline the backrest at 4° lockable increments. Find the right angle for you that compliments your body and posture.

Rocking Function

The chair can be locked in a fixed upright position or can be unlocked to freely tilt back and forth in a rocking motion up to 12°. Use the adjustment wheel to set the desired resistance.

Lock-Tilt Function

Like your chair leaned back a few degrees? The locking tilt function allows you to not only rock back the seat & backrest but also lock it in a position that fits you.

4D Armrests

The armrests are adjustable in 4 dimensions, moving with an easy push of a few buttons. With the increased adjustability, your forearms and elbows get the support and comfort while you are working or playing hard during long periods.

Built in Lumbar Support

The backrest has an adjustable internal lumbar support which is controlled by a knob on the side of the backrest.
