- Rocking function that tilts the seat and backrest up to 12°
- Tough metal frame that supports up to 100kg/ 220 lbs

Features

Ergonomic Design

The Torretta series is developed with Arozzi's signature ergonomic design making it easier on your back and posture for longer periods of use. It is equipped with 2 soft support pillows: a lumbar pillow for your back and a headrest pillow to support your neck and head.

Fabric & PU-Leather Hybrid

The seat and front of the chair is made of a breathable fabric material while the back and sides of both backrest and seat is made of PU Leather. This gives the chair a unique look and it's the first chair model from Arozzi with this combination.

Functionality

Adjustable Height

You can adjust the height of the seat using the handle. Find the perfect position for you!

Adjustable Backrest

Working hard and need a rest? Recline the backrest at 4° lockable increments. Find the right angle for you that compliments your body and posture.

Rocking Function

The chair can be locked in a fixed upright position or can be unlocked to freely tilt back and forth in a rocking motion up to 12°. Use the adjustment wheel to set the desired resistance.

2D Armrests

The padded armrests are 2-Dimensional, with the option of moving them up and down plus rotating them in and out to find your desired position.

Adjustable Lumbar Pillow

The chair comes equipped with one soft adjustable lumbar pillow giving you extra support for your back. You can also adjust the included neck pillow to your desired position.
