- Durable Upholstery Furniture Fabric
- 3-Dimensional armrests
- Rocking function that tilts the seat and backrest up to 12°
- Tough metal frame that supports up to 100kg/ 220 lbs.

Features

Ergonomic Design

The Torretta Soft Fabric™ is developed with Arozzi's signature ergonomic design making it easier on your back and posture for longer periods of use. It is equipped with 2 soft support pillows: a lumbar pillow for your back and a headrest pillow to support your neck and head.

Durable Upholstery Furniture Fabric

The breathable material is designed for the body to stay cool for long term usage so you can stay focused! The durable fabric is also built to last with ISO tested qualities such as tear growth resistance, seam slippage resistance, and tensile strength. Another added benefit of the fabric is how quiet it is, not producing the rubbing noise like in pleather or leather chairs.

Functionality

Adjustable Height

You can adjust the height of the seat using the handle. Find the perfect position for you!

Adjustable Backrest

Working hard and need a rest? Recline the backrest at 4° lockable increments. Find the right angle for you that compliments your body and posture.

Rocking Function

The chair can be locked in a fixed upright position or can be unlocked to freely tilt back and forth in a rocking motion up to 12°. Use the adjustment wheel to set the desired resistance.

3D Armrests

The padded armrests are not only able move up & down. They can slide forwards & backwards, and rotate in & out. For those who want to find the best position for the armrests this 3-dimensional style is one of our most alterable.

Adjustable Lumbar Pillow

The chair comes equipped with one soft adjustable lumbar pillow giving you extra support for your back. You can also adjust the included neck pillow to your desired position.
